# January 9, 2022 - The Baptism of the Lord

As we celebrate this feast of the Baptism of the Lord, we can study His actions at the Jordan River as a powerful example of servant leadership. We see in Jesus a type of leadership that is characterized by humility and leading by example.

Certainly, the sinless Savior did not need a baptism of repentance! But Jesus humbly made Himself one with his people to draw us to Him and create a relationship with us so that we would be open to His teachings and influence. As a servant leader, we also see that Jesus leads by example. He doesn't just tell the people they need to be baptized. He shows them how and does it Himself to teach them. To lead like Jesus, we, too, must "walk the walk" and not just "talk the talk." If we want those who we lead to be generous and hard-working, then we must show them how to do this by demonstrating generosity and hard work ourselves.

Immediately after His baptism, we learn of the powerful affirmation of the Father who opens the heavens, sends the Holy Spirit upon Jesus in bodily form, and says audibly, "This is my beloved Son with whom I am well-pleased." Let us be filled with gratitude for our amazing God and be reminded that when we are grateful followers of Jesus and servant-leaders in imitation of Him, the Father will be well-pleased with us, too.
