PALM SUNDAY OF THE LORD'S PASSION

Today we celebrate Palm Sunday. As we read about the climax of Christ's mission here on earth, we are reminded that He is the Perfect Steward, a model for us all on our stewardship journey.

Our First Reading, from the prophet Isaiah, portrays a suffering servant. The suffering servant, in many ways, foreshadows what Jesus endured during His passion. Even though He didn't deserve such tortures, He humbly submitted to them. His mission as a steward was to fulfill His Father's mission. We, too, play a unique role in our Father's mission by bringing souls to Christ. It simply begins with the witness of our lives.

Today's Gospel shares the account of Jesus' last days on earth, and how He lives them says a great deal about how we should be living ours as faithful stewards. Jesus does many things in these last days, and they all revolve around prayer and service — two trademark actions of a good and faithful Catholic. He hosts a Passover meal in which He gives us His Body and Blood in the Eucharist. He intensely prays to His Father. Lastly, He submits to humiliation, torture and death for our sake, calling out to God the Father in His weakest moments. We might not be called to the same type of prayer and service, but we are all called to commit time in daily prayer with our Lord, and to serve our families, churches and neighbors.

As we embark on this Holy week, let us take some time to reflect on the life of Christ as He is our model Steward, and may we strive to imitate Him daily.

More delicious details to come!

A Prayer for Palm Sunday of the Passion of the Lord

Jesus in your dying, hold us close to you.
Let our arms carry you as you carry your cross.
Let our tears join with yours.
May our hands ache with the weight of your nails.
As you breathe your final breath,
may we have the courage to wrap your wounds
and place you in a tomb,
waiting for and hoping in the Resurrection
we do not fully understand.
Amen.

Dear Parish Family,

March 2021

I once again begin this note by first and foremost thanking each one of you. **Thank you** for your **support and generosity** to our parish of St. Julia in 2020 and I thank you in advance for your generosity in 2021.

What a difference a year makes. To think that we presented this report last year the weekend of March 7/8. Little did we know that one week later the doors of our church would be closed as we began journeying through the COVID-19 pandemic together. To say that **God provides** is an understatement. Without missing a beat, the Live Streaming of our Masses began, and our parish family continued to be connected for the celebration of the Mass via our **YouTube Channel** and newly launched social media. The financial support to our community continued with donations being mailed in. Many embraced electronic giving, signing up for monthly Pre-Authorized Debit (PAD), *Interac* e-Transfers, and donations through CanadaHelps.org. For your generosity to our parish, I cannot thank you enough. Our parish also reaped the benefit of the Canadian Emergency Wage Subsidy (\$25,518) in 2020.

The expense reductions that we put in place in 2019 provided us with a sound foundation in which to enter the pandemic. We continued to review our expenses in 2020, with the continuous goal and desire to ensure that every dollar that you so generously give is used wisely.

Amid the pandemic, **God put good people in our path** allowing some **major projects** to be undertaken. A **new sound system** greatly transformed the worship experience in our church. This was undertaken at 1/3 of the estimated expense. Nine **new windows** were installed. In our 2020 budget we had estimated \$50,000, and the project came in at \$31,877.67 for more windows than we had envisioned. In 2021, we look forward to the completion of the **repainting of the exterior bricks** using the funds from our yellow Renovation & Repair envelopes. Thank you for embracing these envelopes as we continue our preventative maintenance initiatives.

As we look to the future and emerge from this pandemic, I look forward to taking our efforts to make **St. Julia a welcoming place** to come and worship to new levels. We began last year with new interior banners and updates to our lower entrance with greenery, fresh paint, and new carpets. Curb appeal will continue as we reap the benefits of our newly planted gardens that will continue in 2021. One of our major projects will be an appealing St. Julia Church **electronic sign** on Glenridge Avenue. This will be a powerful means of evangelization to all passing by. Additionally, updates will be made to our parish hall in anticipation of the return of our parish socials, as well as the relaunching of our parish events including our very successful pasta nights.

In keeping with our theme of being **"A Caring Roman Catholic Community"** we will continue to look for opportunities to care for those in our midst as well as those that God guides to our community.

Again, thank you for your continued support of our parish. I look forward to when our **entire parish family** will be able to **gather** once again for the **celebration of Mass**. The best truly is yet to come!

As always, should you have any questions or comments, I am always here to listen.

May God continue to keep safe and bless each of you and those that you love, Fr. Greg.
